CHILDREN'S
MEDICAL OFFICE
of North Andover, P.C.

WHAT IS Epic?

- ♦ Epic is the leader healthcare information software and we are excited to be upgrading in 2017!
- ♦ 54% of patients in the United States already have medical records within the Epic system.

What does this mean for CMO?

- ♦ The official transition will take place on August 29, 2017
- ♦ Our providers and staff will spend this summer preparing for the transition in order to offer you the most state of the art electronic medical record.

What does this mean for you?

- ♦ *We will be unable to schedule annual well visits for children over 2 years old during the month of September.*
- ♦ *Please book well visits as soon as possible as we will be unable to accommodate those last minute sports & school physical requests!*
- ♦ Check with your insurance company to know what your annual well visit benefit is.
- ♦ Once the transition is complete, you will be able to access records, schedule appointments and update your information all in your MyChart account!!!
