

# Welcome

Please know that we take our responsibility to keep Massachusetts safe very seriously. Be assured we have taken the following steps to comply with state mandatory safety standards for workplaces:

Workers are wearing face coverings and we've put social distancing measures in place

We provide hand washing capabilities and we are regularly sanitizing high-touch areas

Our staff has received training regarding social distancing and hygiene protocols

We have established thorough cleaning and disinfecting protocols

We ask you to do your part as well by wearing your face mask and maintaining social distance. Thanks—and we hope to see you again soon.
